

Easy-to-ship
Lacey Blue is a
uniquely compact
perovskia

This compact perovskia variety allows more plants per shipping rack while still maintaining its attractive, dense, upright habit. This low-water needs cultivar has a variety of applications where its large, dark blue flowers and scented foliage can be enjoyed. Available exclusively from Ball Ornamentals.

Outstanding Ball Ornamentals for a more profitable product line. Call 888 426-7478 or visit ballornamentals.com
